

# Module 7: Student Discussion Activity:

## Practice and share on discussion board

### Practice and share on discussion board

In this student discussion activity, you will be creating a new web page containing an HTML form - COMSC-30 Student Survey

The HTML form will have an input textbox, input text area, check boxes, and submit/ reset button.

- Textbox will be used to enter your first and last name.
- Checkbox will have the learning module topics covered in COMSC-30.
- Radio button (Yes/ No) will be used to find out if you are enrolling in COMSC-31 Web Site Dev Part 2.
- Text area box will be used to enter your experience in creating web pages and any challenges or issues you encountered in completing any of the online discussion activity exercises.

### Instructions:

#### A. Prerequisite:

1. Create a Module7 exercise folder.
2. Download the HTML document - "**MyWebPage.html**" and example folder containing "Click Here' button images.  
[Click link to download the file](#) ↓
3. Copy the document and example folder into your Module7 exercise folder.

#### B. Edit the HTML Document

1. Open the document using a Text Editor. If you are on a PC, you will use Notepad or if your on a Mac, you will use TextEdit.

2. In your internal style sheet, change the page background color, text color and font type by editing the style rules.

NOTE: Highlighted in green are the style rules in the sample code below .

3. Copy/ paste the style rules for the form input and text area tags into your internal style sheet. See code below- highlighted in orange

```
input {  
    font-size: 18px;  
    color: maroon;  
}  
textarea {  
    font-size: 16px;  
    color: maroon;  
    font-family: arial;  
}
```

4. Insert the input type tag for the textbox elements by copying and pasting the tags/ elements below

```
<label for="fname"><strong>First name</strong></label><br>  
<input type="text" id="fname" name="fname"><br>  
<label for="lname"><strong>Last name:</strong></label><br>  
<input type="text" id="lname" name="lname"><br>
```

5. Insert the input type tag for the checkbox elements by copying and pasting the tags/ elements below

```
<br> <b>Select the COMSC-30 student discussion activities you enjoyed doing:</b> <br>  
<input type="checkbox" id="topic1" name="topic1" value="WebPage">  
<label for="topic1">Module 1: Creating your first page</label><br>  
<input type="checkbox" id="topic2" name="topic2" value="Text">  
<label for="topic2">Module 2: Adding and Modifying Text</label><br>  
<input type="checkbox" id="topic3" name="topic3" value="CSS">  
<label for="topic3">Module 3: Adding CSS Rules</label><br>  
<input type="checkbox" id="topic4" name="topic4" value="Images">  
<label for="topic4">Module 4: Inserting Images</label><br>  
<input type="checkbox" id="topic5" name="topic5" value="Links">  
<label for="topic5">Module 5: Adding Links</label><br>  
<input type="checkbox" id="topic6" name="topic6" value="Tables">  
<label for="topic6">Module 6: Working with Tables</label><br>  
<input type="checkbox" id="topic7" name="topic7" value="Forms">  
<label for="topic7">Module 7: Creating Forms</label><br>
```

6. Insert the input type tag for the text area elements by copying and pasting the tags/ elements below

```
<br><b>Share your experience or challenges in creating a web page with the different
```

2. In your reply, note what stands out on your classmate's web page.

## Assessment & Feedback

Up to 20 points possible. The Discussion Board Rubric will be used to assess this activity. You can find the Rubric grading criteria by clicking on the three dots at the top right hand side of this page and selecting "Show Rubric".

Below is a sample of the HTML code and web page:

### COMSC-30 Student Survey

---

**First name:**

**Last name:**

**Select the COMSC-30 student discussion activities you enjoyed doing:**

- Module 1: Creating your first page
- Module 2: Adding and Modifying Text
- Module 3: Adding CSS Rules
- Module 4: Inserting Images
- Module 5: Adding Links
- Module 6: Working with Tables
- Module 7: Creating Forms

**Share your experience or challenges in creating a web page with the different elements (i.e. text, style rules, images, links, tables and forms) you have learned so far:**

Share your experience or challenges in creating a web page with the different elements (i.e. text, style rules, images, links, tables and forms) you have learned so far:

**Will you be enrolling in COMSC-31 Web Site Dev Part 2 where we will be using Adobe Creative Cloud Dreamweaver in creating web pages?**

Yes  No
